

Les journées de la culture

As part of the **Journées de la culture**, the municipality of Port-Daniel-Gascons wishes to participate in a big way this year by offering a program of cultural activities to its population for all age groups. The municipality wants to revitalize its territory by allowing everyone to gather, exchange and learn about culture. **All activities are free, a common mission of the Journées de la culture.**

St-Phillip's Anglican Church is the main gathering point during these three days, a key building to rediscover!

WORKSHOP REGISTRATION*

Registration required for workshops at 581-351-1137 specifying the type of workshop, name and telephone number.
