## *Word from the mayor*

### *Wishes of the municipal council*

Dear fellow citizens,

On behalf of the members of the council and the entire municipal team of Port-Daniel-Gascons, I would like to offer you our warmest wishes for happiness, love and health during this holiday season!

We wish you all a holiday season filled with happy times and a happy new year 2023.

May the year 2023 be full of joy for you and your family and may it be overflowing with happiness and prosperity.

Over the next year, the municipality will continue its work to improve the quality of life of its citizens.

As mayor of our magnificent municipality, I also express sincere wishes that your municipality will remain the place of all your aspirations, the place where you will enjoy living there on a daily basis.

Henri Grenier, mayor

## NEW! Garbage collection every three weeks

### Why increase garbage collection to every third week?

- Reduces operational costs
- Will increase participation in recycling and composting
- Prevents the collection of near-empty containers (however, take out your compost container regularly to avoid odours).
- To prepare for the implementation of unit-based pricing in 2024

**ATTENTION!** Our inspectors are authorized to verify individual containers placed curbside to ensure compliance with regulation No. 328-2020 regarding waste management.

### What to do if my garbage container is full?

- Sort your waste properly. Only true waste should be thrown in the trash, not recyclable or compostable materials.
- Bring your construction waste, electronic products, paint and other recyclable materials your nearest eco-center.

### In Winter

Place your bin at a distance of approximately 10 feet from the white line to prevent damage from the snowplow.

In the event of a winter storm, collection may be delayed... Consult the Memento App.

### Can I request a second garbage container?

- No, only one garbage container is permitted per household, unless special permission is granted. No recyclable material should be found inside.

### How may I obtain a brown or blue container?

- **Brown (compost):** Contact us at 418 385-4200
- **Blue (recycling):** Can be purchased at your local hardware store. Call us to provide the serial number.

### Late or rescheduled collection?

## SUPPORT FOR CAREGIVERS OF SENIORS

The Saint-Siméon-Port-Daniel Volunteer Center offers the population of its territory a support program for caregivers of seniors.

This project exists to support the caregiver individually and also organizes group meetings, workshops, training and also offers respite.

Do you recognize yourself and would you like to feel less alone and participate in enriching and stimulating activities? Maybe you also know someone who could benefit from this support?

Do not hesitate to contact your Volunteer Action Center.
