NEXT REGULAR MEETING 2023

TUESDAY , OCTOBER 15 / TUESDAY NOVEMBER 12 /
MONDAY, DECEMBER 9

Word from the mayor

Dear fellow citizens,

As summer draws to a close, it is an opportunity to look back on a particularly successful summer season for our beautiful municipality. We had the privilege of experiencing many unifying events, from festivals to musical events, which helped strengthen ties between our citizens and celebrate everything our municipality has to offer. Thank you to everyone who contributed to the success of these activities, whether through their participation, volunteering or support.

This summer was also marked by beautiful sunny days, attracting visitors and tourists to our corner of the country, which boosted our local economy. I hope that everyone was able to enjoy the natural beauty that surrounds us, the family time and the moments of relaxation that summer brings.

With the start of the school year, I would like to wish all our students an excellent academic year, may this start of the school year be synonymous with new discoveries, successes and enriching moments. To the parents and teachers, thank you for your commitment to the education of our young people. Your work is essential to their development.

Finally, I would like to remind you that fall is also a time when we must remain vigilant. The return of students to school means extra caution on the roads. The fall season is also hunting season. I therefore ask hunters to be careful and I take this opportunity to wish you a very good hunt.

Finally, I join the members of your municipal council in offering you our best regards.

Henri Grenier, mayor

In recent years, thanks to the New Horizons for Seniors program, we have improved our variety of equipment for more projects.

Eligibility to be part of the "cercle des fermières" is from 14 years to 100 years. The 2024-2025 year starts again in September
