NEXT REGULAR MEETING 2025

WEDNESDAY, OCTOBER 1ST / MONDAY, NOVEMBER 10 /
MONDAY, DECEMBER 8

WORD FROM THE MAYOR

Dear Citizens,

Autumn is already upon us, and I am pleased to share with you the latest news regarding our beautiful municipality.

First of all, the water and sewer work in the Gascons sector is progressing smoothly. This project, anticipated for over twenty years, is progressing very well and is on schedule. We can be collectively proud to finally see the completion of this essential infrastructure, which will improve the quality of life and ensure the sustainability of our municipal services for generations to come.

Furthermore, I would like to point out that the "Club de l'âge d'or "La Renaissance" will soon undertake major work on the exterior of their building. Congratulations to the board of directors and their members for this wonderful initiative.

Another project that will delight our families has taken off: the construction of splash pads at Marguerite-Rose Park, in the Port-Daniel sector. Work began, unfortunately with some delay, in early September, and everything is in place to ensure the facilities are accessible and operational by the next summer season. In addition, work on the railway will be completed shortly, which promises a very busy summer at our municipal park.

On the recreational side, some indoor activities have already resumed in the palestra of the Marco-Sébastien-Cyr sports center, and the full winter activity program will begin in early October. We invite everyone, young and old, to participate in large numbers to fully enjoy the municipal facilities and maintain a vibrant community life.

Finally, I would like to highlight the success of our 2025 summer season. The cultural and sporting activities offered, including the "Rock'n Ride Festival" and Glow in the Dark event", led by volunteers from our community, were a success that extended beyond our municipality. Congratulations and thank you to the organizing committees, their many volunteers, and their sponsors. We would love to have you back next year.

Together, let's continue to make Port-Daniel-Gascons a welcoming and dynamic municipality.

We look forward to seeing you,

Henri Grenier, Mayor
