NEXT REGULAR MEETING 2026

Monday, July 13 / Monday, August 10 / Monday, 14 septembre

WORD FROM THE MAYOR

Dear Citizens,

Summer is just around the corner, and with it comes a vibrant time for our beautiful municipality. Summer is always a special time to come together, enjoy our public spaces, support our organizations, and celebrate what makes our community so special: our dynamism, our solidarity, and our quality of life.

It's also a good time to get busy cleaning up around our homes, not only for hygiene but also for pride.

Once again this year, several activities will brighten our summer. The National Holiday festivities will be an opportunity to celebrate our Quebec pride together in a festive and welcoming atmosphere. The musical evenings at the Cultural and Family Centre also allow residents to enjoy relaxing moments, cultural experiences, and social gatherings.

To close out June, a new event will take place in our municipality: the Québec-Maritime Motocross Championship (MXGascons 2026 – 2nd edition), organized by residents and enthusiasts of this sport, whose involvement I commend.

July will also be marked by the Rock'N Ride festival, an event that is gaining in popularity and attracting many participants and visitors to our community. We will also have the pleasure of welcoming back the popular "Glow in the Dark" event, always appreciated by young people and families, with its unique and festive atmosphere.

I also invite everyone to fully enjoy Marguerite-Rose Park, especially with the addition of splash pads, a wonderful new feature that will allow families and children to cool off and have fun throughout the summer season. On the multi-sports field side, new facilities are enhancing the recreational offerings, including the batting cage and pitching machine, which will surely delight softball and baseball enthusiasts.

I would also like to take this opportunity to highlight the significant progress made on the water and sewer work in the Gascons sector. We are now in the final stages of this major project. The work is on schedule and within budget, and everything is progressing smoothly. This is a large-scale, long-awaited project that represents a major investment for the future of our municipality and for the quality of services offered to our citizens.

I sincerely thank the residents, particularly those in the affected area, for their patience, understanding, and cooperation throughout this project. We are well aware that a construction project of this magnitude disrupts daily life; detours, traffic changes, noise, dust, and sometimes more difficult access. Your collaboration makes a real difference and allows this project to move forward effectively.

In closing, I join the members of the municipal council, management, and staff in inviting you to fully enjoy the summer, to participate in large numbers in the activities offered, and to continue to showcase Port-Daniel-Gascons through your presence, your involvement, and your pride. We look forward to seeing you at our summer events!

Your mayor,
Henri Grenier
